Can be translated into: 

At the National Indian/Native Studies Conference sponsored by the Saskatchewan Indian Federated College in Regina, Saskatchewan from May 25-27, 1985 the General Assembly passed motions approving the following activities:

1. That the formation of a National Indian/Native Studies Association be approved in principle, and that a Steering Committee be established consisting of the following members:

   Prof. Christine Morris, Chairman, Department of Native American Studies, University of Lethbridge, Lethbridge, Alberta;

   Prof. A. Blair Stonechild, Head, Indian Studies Program, Saskatchewan Indian Federated College, Regina, Saskatchewan;

   Prof. Sam Corrigan, Faculty Member, Department of Native Studies, Brandon University, Brandon, Manitoba, and Editor, Canadian Journal of Native Studies;

   Prof. Jim Dumont, Faculty Member, Department of Native Studies, Laurentian University, Sudbury, Ontario;

   Prof. Harvey McCue, Faculty Member, Department of Native Studies, Trent University, Peterborough, Ontario; and

   Two Student Representatives, to be selected by students.

Prior to the next annual conference, the Steering Committee will:

a) Compile a mailing list of academics, researchers, program directors and students who may be interested in the formation of a national association, and

b) Through consultation, prepare a proposed constitution to be submitted
for approval at the next annual conference. This proposed constitution shall be mailed in advance.

2. That the offer by the Chairman of the Native American Studies Department to hold the next annual conference at the University of Lethbridge be accepted, provided facilities are available.

All persons interested in assisting the Steering Committee in its activities are invited to contact any of the members of the committee.
